

## I Love Donald Trump

I'm the new president of the United States  
I'm rich and smart and really great  
stand up, salute and clap your hands  
as I turn this place into white man's land

Arabs and beaners stick in my craw  
I've got the power to deport them all  
at least 3 million to right to vote  
that made my victory an empty joke.

I got friends in Moscow both high and low  
though I deny of them I know  
still, Vladimir hid the dirty tricks  
I did in Russia with my smelly dick.  
lovely Cossacks that pissed on my head  
while I engage in fellatio  
now to good Vlad some blow I owe.

Teresa May found me charming  
though I thought her ass size a bit alarming  
still, better than Merkel's by an English mile  
so I grabbed her pussy in my usual style.

My fascist staff are just the best  
they hate the blacks and Jews and all the rest  
this land belongs to white old men  
and the shriveled cunts that serve their ends.

Yes I'm the president of the United States  
I'm rich and smart and really great  
buy my wine, eat my steaks  
believe the news I usually fake.
